NOTICE OF AVAILABILITY FOR PUBLIC REVIEW AND COMMENT:

Revised Intended Use Plan for DWSRF Grant Application (FFY 2006 FUNDING)

The Department (CDHS) proposes several minor revisions to the Draft Intended Use Plan which was originally noticed in February 2006. This Intended Use Plan is to be submitted to U.S. Environmental Protection Agency with the application for award of the FFY 2006 federal DWSRF grant award.

Comment is invited on the proposed changes summarized below and presented in the attached document. Revise the Intended Use Plan to (1) add \$627,000 to the Public Water System Supervision set aside to continue funding for various water system security and emergency preparedness activities in the drinking water program field offices; (2) add \$627,000 to the Public Water System Supervision set aside to provide additional resources for oversight and assistance to smaller water systems; and (3) reallocate the \$2 million in the source water protection loan set aside to conventional SRF loans. In summary

<i>Account</i>	<i>Draft IUP</i>	<i>Revised IUP</i>
